^Local printing requires mobile device and printer to be on the same network or have a direct wireless connection to printer. Wireless performance is dependent upon physical environment and distance from access point. Wireless Operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer, App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See www.hp.com/go/mobileprinting for more details. Requires a wireless access point and an internet connection to the printer; Services require registration.

#HP Printables availability varies by country, language and agreements and may require a firmware upgrade. Not all HP Printables can be set up for automatic delivery and not for all printer models. For details, visit : www.hp.com/go/hpconnected/help/printablesgs.

¹When used in accordance with setup instructions. ²Wireless direct printing is supported on the 415/419 model only. Mobile device needs to be connected directly to the Wi-Fi Direct signal of a Wi-Fi Direct-supported AiO or printer prior to printing. Depending on mobile device, an app or driver may also be required. For details, see hp.com/go/mobileprinting. ³Either after first page or after first set of ISO test pages. For details see hp.com/go/printerclaims. ⁴The HP Smart app is supported on the 415/419 model only. Compatible with iPhone 4 and later, iPad fourth generation, iPad mini, iPad Air, iPod 5c using iOS 7 or later, and mobile devices using Android™ 4.0.3 or later. Features controlled may vary by mobile device operating system. For mobile scanning, device camera requires 5 megapixels or greater with autofocus capability. ⁵Average page yields and costs per page are based on continuous printing of ISO 24712 test pages and manufacturer recommended price of replacement ink bottles. Cost of other replacement parts excluded. To print content with black and colour, all four inks must be present for combined cost of 29 paise per page. Actual page yield and cost per page vary based on content of printed pages and other factors. Some ink from included bottles is used to start up the printer. For more information, see hp.com/go/learnabouteink. ⁶Whichever is earlier from the date of purchase. ⁷The page yields of cartridge/toner accompanying the mentioned printer models are available on hp.com/go/learnabouteink.
